Shared Workspace Partnerships & Services

Optimize Your IT Infrastructure

Premium Level Technology Support for Shared Workspaces

Help Desk

The core of our business is IT and VoIP management and support, provided by our team of executive center style technicians.

Flexible Staffing

You are able to integrate our support with existing IT staff as well as select on-demand, part-time, or full-time staffing options.

Virtual CTO (vCTO)

Our vCTO service lets you focus on your space and community while our professionals manage your technology.

Industry Experience

WUN Premier IT Provider | Over 8 Years of Successful Industry Partnerships

Monetize IT Offerings To Tenants

Turn Technology Opportunities Into Revenue for Your Center

Co-Branded or White-Labeled

Our services can be branded under your own business name, a new co-brand, or you can leverage our existing brand.

Monthly Recurring Contracts

Provide your clients with the tech services they want and need by taking advantage of our proven technology services.

Lifetime Revenue Opportunities

Convert your outgoing clients or current virtual office clients into long term customers through our partner agreement.
